III. NEW BUSINESS

A. Waive Spectator Fees

As we move closer to spring and summer, the request for softball/baseball tournaments begins. As in the past, several organizations sponsoring tournaments request to charge spectator admission fees. As our policy states, tournament organizers must pay a \$20/per team fee to charge admission. Many groups request a waiver of this fee, which must be approved by the advisory board.

As of this time, we have four organizations requesting a waiver of the spectator fee. Each will be given an opportunity to explain their request and the benefits of proceeds received at the tournament. Action is required for each request.
